

**WELCOME!**

**MILAGRO/INTEX-B**

**Joint Science Teams Meeting  
24-28 October 2005  
NCAR, Boulder Colorado**

**NCAR**

## PURPOSES OF THIS MEETING

---

- Opportunity for participants to meet one another
- Common understanding of science plans
- Finalize coordination of measurements
- Confidence that logistics are adequate

## OUTPUT FROM MEETING

- Path to coordinated multi-platform flight plans
- Ground sites measurement plan
- Coordinated ground/aircraft measurement plan
- Data management plan
- Forecasting communication plan
- Instrument standard comparison plan
- List of prioritized action items

# MILAGRO WORKING GROUPS

*(chairs)*

1. Aircraft measurements and operations  
*(Bill Brune, Frank Flocke, Larry Kleinman)*
2. Surface measurements and operations  
*(Telma Castro, Alex Guenther, Will Shaw)*
3. Forecasting and modeling  
*(Ernesto Caetano, Jerome Fast)*
4. Data policy, formats, and archives  
*(Louisa Emmons, Bill Pennel)*
5. Education and outreach  
*(Dara Salcedo, Judy Weinstein-Lloyd)*
6. Satellite observations  
*(Allen Chu)*
