2:50 PM	IMPACTS	Lynn, Joe	20
3:10 PM	Stakeholder workshop planning	Nick	20
3:30 PM	Adjourn		

Accomplishments

- Field project

- Educational initiatives

- Data processing & publication

- Initial analysis and presentations
  - *Make sure you send citations to Linda for WINTRE-MIX website!*

Next steps

- Finish data processing & publication
- Analysis
  - *leverage internal collaborations*
- Conference presentations
- Initial manuscripts
  - *BAMS article*
  - *...*
- Applications work
  - *Evaluation and improvement of retrievals, products, models*
- Explore external collaborations

Important dates

- **31 January**: BAMS article due

- **17 March:** WINTRE-MIX data open to public

- **TBD (spring?):** WINTRE-MIX stakeholder workshop

- **17-21 July:** AMS WAF/NWP/MESO
  - Abstract Deadline: 10 March 2023

- *[Other summer conferences?]*

- **31 August:** NSF annual report due

- *…other key dates?*

Some goals for today

- Updates on datasets and initial findings

- Share ongoing / future research and publication

- Identify challenges and open questions arising from initial analysis

- Identify opportunities for collaboration
